# automated stock trading -- 2

**Details**     Proposals

## Project Details

### $1,200.00 – 1,500.00 USD

**BIDDING ENDS IN 5 DAYS, 21 HOURS**

I have an automated trading system with Ninja trader, I am switching brokers to lightspeed. Light speed does not support Ninja so I need the code done in C++

### Skills Required

| C Programming | C# Programming | C++ Programming |

Project ID: 20536636
